

2016 Grant Program Awards

Ten innovative education and preservation projects will get off the ground this year with funding support from Erie Canalway grants. Erie Canalway National Heritage Corridor is investing \$43,870, which will be leveraged by an additional \$164,889 in private and public project funding raised by grant recipients. These grants are aimed at inspiring people to learn more about New York's legendary canals and further explore the Erie Canalway National Heritage Corridor.
