OUTFITTERS

Canoe, Kayak, and SUP outfitters are located throughout the New York State Canalway Corridor. There are independent specialty paddling shops and national chains. An Internet search will help you find ones near your location.

CLUBS AND ORGANIZATIONS

Paddling is a very social sport, with lots of national, regional, and local clubs and organizations. These clubs organize group trips, boat floats, and paddling events that are a great way to meet up with other paddlers, make new friends, and learn new skills. So many local paddling clubs are found along the Canalway Corridor that they can’t all be listed. These are the major national and regional organizations. (This list includes only the largest and most active groups.)

CAMPING ALONG THE CANALS

The NYS Canal Corporation has designated a number of Biker-Hiker-Boater Campsites along the canal system. These tent-only informal campsites have space for four tents, and offer potable water, portable toilets, picnic tables, and grills. Stays are limited to 48 hours. Contact the site in advance to make sure space is available.

Camping is permitted at most other canal locks on a case-by-case, first-come, first-served basis. Camping at these non-designated sites is limited to a maximum of four tents per night. Contact the Lock Operator in advance to determine if camping is permissible and where to set up. At most non-designated locks, the camping facilities are limited—drinking water and restrooms may not be available for overnight stays.
