### Saratoga National Historical Park

648 Route 32, Stillwater  
(518) 670-2985  
[www.nps.gov/sara](http://www.nps.gov/sara)

Walk, drive or bicycle pastoral lands where Americans fought overwhelming odds to win a key Revolutionary War victory against the British in 1777. Known as one of the most important battles in the last millennium, the victory drew international allies to win America's War for Independence and spread the ideals of independence and liberty around the world.

Start at the visitor center to get oriented, see the film and museum exhibits, and then head out into the park. You can drive or bicycle the battlefield's scenic 10-mile tour road and hike historic trails. Special events are offered year-round. If you are traveling with kids, be sure to pick up a Junior Ranger Activity book. The park also includes three nearby sites: the country estate of General Philip Schuyler in Schuylerville and the Saratoga Monument in the nearby village of Victory.

### Hudson Crossing Park and Champlain Lock 5

Lock C5 Island, Schuylerville

Hudson Crossing Park is centered on an island formed by the Champlain Canal and Hudson River. This educational park features over two miles of waterfront trails, picnic sites, a unique children's play garden, kayak launch, and links to the Old Champlain Canal towpath. The park is a great place for children to explore and play. While at the park, be sure to visit Champlain Canal Lock 5 to see boats being lifted and lowered. Compare today's lock, built in 1915, with the remains of the 1800s towpath-era canal alongside it. Ask the lock tender for a peek inside the lock's original hydroelectric powerhouse.

Choose from these great options for active recreation in this area:

#### Cycle in Saratoga NHP

The Park's 10-mile loop road is a great way to enjoy the park. A cycling/walking lane is available most of the way. A steep ascent toward the end adds a bit of challenge. If you're cycling with kids or want an easier ride, cycle out and back from the visitor center to the vista at the American River Fortification.

#### Hike in Saratoga NHP

There are several options for short and long hikes that will take you through the park's woodlands, meadows, and revolutionary history. Access trails, including the popular 4.2-mile Wilkinson Trail, starting at the Visitor Center or by driving to trailheads that begin at numbered stops on the tour road.

#### Paddle the Champlain Canal

Launch your kayak or canoe at Hudson Crossing Park in Schuylerville to explore the canal and Hudson River.

#### Walk at Hudson Crossing Park

Two miles of walking paths are flat and well maintained. Try the Riverwalk Sensory Trail, a shady path along the water with informative signs to educate you about the area.
