"I had no idea when I launched at the western end in Tonawanda that by the time I pulled out in Waterford my paddle trip would become a major highlight of my life. I was permanently connected not only to my family history but also to the incredible role the canal played in the development of this country." —*Paul L. Comstock, End-to-End paddler*

The *NYS Canalway Water Trail Guidebook, Second Edition*, is an indispensable resource for paddlers. This mile-by-mile guide includes maps and descriptions of more than 150 launch sites, paddler-friendly facilities and amenities, and places of interest for over 450 miles of the NYS Canal System, including the Erie, Cayuga-Seneca, Champlain, and Oswego canals. The trail welcomes paddlers of all abilities to explore and enjoy this scenic and historic waterway. In addition to this guidebook, use the accompanying set of four water-resistant maps and the NYS Canalway Water Trail website to help plan your self-propelled canal adventure.

UNIQUE FEATURES:

- Maps and descriptions of more than 150 public access points, including 20 new launch sites
- Updates on amenities, camping, outfitters, and businesses
- Things to see and do on and off the water trail
- Best bet paddling day trips with mileage charts
- Step-by-step instructions for passing through a lock

Generous financial assistance was provided by: Recreational Trails Program from the Federal Highway Administration and NYS Office of Parks, Recreation and Historic Preservation (OPRHP); NYS Department of State (DOS) under Title II of the Environmental Protection Fund; Montgomery County; NYS Canal Corporation; Brookfield Renewable; NRS; Placid Boatworks; and Werner Paddles; and many individual donors.
